black shoes	

We will supply all new PYO members a PYO tie free of charge. Replacement ties will incur a £6.00 charge.

PYO Skirt Material

We will also provide the tartan material for your skirt/culottes. However, you will need to supply zip/buttons/lining as required and make the skirt, or arrange to get it made.

You can choose whatever style you like, but please do consider that you will be sitting on stage, possibly facing the audience, and as well as looking stylish you want to feel comfortable in the skirt/culottes whilst performing.

What you need to do next:

Decide if you can make your own skirt or need a dressmaker. Contact details of a dressmaker who can make up your skirt are available on request but please allow her plenty of time. The first concert this year is the Childline Concert at the start of December.

Work out what style of skirt or culottes you want and how much material you will need. It can range from less than 1 metre for a straight skirt for a smaller musician, to 2 metres plus for a taller musician with a flared, long skirt. The material is 150cm wide. The pattern repeat is 15cm so you will need to allow for this when calculating the length required.

Email your requirements to: uniform@perth-youth-orchestra.org.uk and your fabric will be cut and delivered to you at the next rehearsal, along with your tie. Please return any unused material as it is always useful for alterations etc.

Donations of PYO ties and skirts from musicians who have left the orchestra are always very welcome. Please email uniform@perth-youth-orchestra.org.uk to arrange collection and for further details of any 'preloved' PYO skirts available to orchestra members.
